

1st Day		Tuesday 28th February 2012
Plan for the day		
9:00	Welcome By Head of Department Egon Bech Hansen and Head of Development Sofie Katrine Lorentzen Introduction to the Department of Systems Biology and to the course program. Matching of expectations	
9:30	PhD posters on the wall All participants hang their posters on the wall – ready for the poster presentation	
9:45	Project Management By associate professor Irene Kouskoumvekaki from Systems Biology, CBS	
11:00	Poster Session 1 Presentation of posters	
12:00	Lunch	
13:00	Project Management – continued	
15:30	Break – coffee and cake	
16:00	Poster session 2 Presentation of posters	
16:45	Poster prize giving	
17:00	Break – rest before dinner Room keys will be handed out and you can check in at your room	
18:00	Dinner	
19:30	Team challenge 1 – Indoor By Sofie Katrine Lorentzen and course coordinators Astrid Sofie Hemmingsen & Catrine Lohmann Larsen, Systems Biology	
20:30	Coffee and tea	
21:00	The evening is yours!	

2nd Day		Wednesday 29th February 2012
Plan for the day		
8:00-9:00	Breakfast	
9:00	PhD-supervisor relationship By coach and PhD Mirjam Godskenen, DTU Management and associate professor Lars Hellgren, Systems Biology, CBS	
11:00	Get ready for team challenge	
11:10	Team Challenge 2 – Outdoor By Sofie, Astrid Sofie and Catrine	
12:00	Lunch	
13:00	Publishing strategy and ethics By associate professor Mhairi Workman, Systems Biology, CMB	
15:00	Break – coffee and cake	
15:30	Publishing strategy and ethics - continued	
17:30	Break – rest before dinner	
18:00	Dinner	
19:30	Team Challenge 2 – Indoor	
20:30	Coffee and tea	
21:00	The evening is yours!	

3rd Day		Thursday 1st March 2012
Plan for the day		
8:00-9:00	Breakfast	
9:00	Competencies & Development By Catrine, Sofie and Astrid Sofie	
11:00	Break	
11:15	Stress & coping – life as a PhD By coach and stress supervisor Sofie Katrine Lorentzen, Systems Biology	
12:00	Lunch	
13:00	Publishing strategy and ethics By Mhairi Workman	
14:00	Info on PhD procedures By Sofie, Astrid Sofie and Catrine	
15:00	Evaluation of the course By Catrine & Astrid Sofie	
15:45	Sum-up By Egon Bech Hansen, Head of Department	
16:00	Thank you and see you at Systems Biology	

Feedback session at DTU Systems Biology		Friday 9th March 2012
Plan for the day		
12:00-13:00	Feedback on exam By associate professor Mhairi Workman, Systems Biology, CMB
